MZ	24	10	10	10
AP	25	28	30	26
TG, TS	26	38	46	36
KA	27	33	48	31
KL	28	15	31	14
TN, PY	29	28	40	26
(ALL)	30	22	30	21
(ALL)	31	21	29	20
OS	32*	35	48	33

Note:

- **The cutoffs for certain regions have been recomputed after removing the probationary centres.**
- The cutoffs are stated region-wise as per criteria laid out in <https://olympiads.hbcse.tifr.res.in/wp-content/uploads/2024/08/RMO-2024.pdf> where region codes are available in <https://www.mtai.org.in/rmo-region-codes/>. In case of any ambiguity with a previous list, we will take the lower cutoff to not disadvantage any students.
- Cutoffs differ by class, and for students in classes 8,9,10,11 a lower cutoff for girls is applicable as listed.
- Normally to find out your region you should look at the first two digits immediately following the two alphabets in your roll number. Eg.
 - For roll number AR18-999999, the relevant region code is 18.
 - For roll number AS18-999999, the relevant region code is 18.
 - For roll number AS30-999999, the relevant region code is 30.
- Note: However, in certain exceptional cases (including OCI students, students in NCR, Mumbai, Bihar and Jammu and Kashmir) where the regions are not easy to determine by the corresponding political boundaries, we suggest that the students wait for the full list of selected students to be uploaded.
